Re: Address verification for existing tenant space – 6801 Kaiser Drive

To Whom It May Concern:

This letter is in response to your request regarding the validity of one (1) address for Building #2 located on the property at Assessor Parcel Number 543 043904601. I understand the request is needed to establish the use of the assigned address with the U S Postal Service. The address you wish to use is 6801 Kaiser Drive.

Our records indicate that this address (i.e., 6801 Kaiser Drive) was issued to your building on September 27, 2000. Therefore it is a valid address and may be used in the location shown on the enclosed Address Plan. Please understand that in the event that this building is divided into multiple tenant spaces, additional addresses and a utility (PG&E) meter address will be required. However, because this is a single tenant building, the sole address of 6801 Kaiser Drive may be used.

You will need to check your address records and posted address to make sure they match the assigned address (i.e., 6801 Kaiser Drive). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

**Electronic copies of this letter and documentation will be posted to the City’s web site at [http://gis.ci.fremont.ca.us/addr/addr\\_proj.cfm](http://gis.ci.fremont.ca.us/addr/addr_proj.cfm) within 10 business days. The files will be stored under SP42-0035.**
