Re: Verification of existing address for new tenant space – 34137 Fremont Blvd

To Whom It May Concern:

In response to your request for an address needed for a new tenant space, a total of one (1) address has been assigned. The assigned address (i.e., **34137 Fremont Blvd**) was issued in 1986 as part of the addressing of the original development. However, it has not been in use for some time. It is a valid address and, under this addressing action, is being reactivated for this new tenant space. For a full inventory and description of the address, please refer to Table “A”. The enclosed Addressing Plan illustrates the proper use and placement of the address.

Electronic copies of this letter and documentation will be posted to the City’s web site at [http://gis.ci.fremont.ca.us/addr/addr\\_proj.cfm](http://gis.ci.fremont.ca.us/addr/addr_proj.cfm) within 10 business days. The files will be stored under SP48-0011
