Re: Verification of existing address for residence – 4423 Peralta Blvd

To Whom It May Concern:

This letter is in response to your request regarding the validity of two addresses located at Assessor Parcel Number 501 052200800. I understand the request is needed to verify the use of an assigned address with the U.S. Postal Service. The addresses you are inquiring about are 4423 Peralta Blvd and 4424 Terra Cmn.

Our records indicate that at the time of development, both addresses were originally assigned to the property because it was unknown how the unit would orient to the street. However, only one address (i.e., 4423 Peralta Blvd) is needed. Since the second address (i.e., 4424 Terra Cmn) is not needed and its retention creates confusion with the other address that is actively in use, it may be rescinded. On this basis, the following is being done under this addressing action:

- 4423 Peralta Blvd: This address is considered to be valid and should be used as both the property and unit address. *(Note: Since this address is to be used as the property address, you will need to contact the County Assessor's Office to update their information on your property.)*
- 4424 Terra Cmn: This address is rescinded because it is no longer needed.

An inventory and status of these addresses is shown on Table "A". Please refer to the enclosed Addressing Plan for this property for further information. A copy of this letter will also be forwarded to the U.S. Postal Service and Alameda County Assessor's Office for their information.

You will need to check your address records and posted address to make sure they match the assigned address (i.e., 4423 Peralta Blvd). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies as well as the County Assessor's Office. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP60-0102.
