Re: Verification of existing residential addresses for two dwelling units – 4556 Thornton Ave and 4589 Glenn St

To Whom It May Concern:

This letter is in response to your request regarding the validity of two existing addresses (i.e., 4556 Thornton Ave and 4589 Glenn St) located at Assessor Parcel Number 501 045600202. I understand this address verification request was needed to confirm the addresses for your property in order to obtain a driveway permit with the City of Fremont – Engineering Division.

We are able to confirm that the two addresses (i.e., 4556 Thornton Ave and 4589 Glenn St) are issued to this property. They are classified as residential addresses and may be used in the locations indicated. Please refer to the Locational Map on page 3 to see the distribution of the addresses assigned to this property. An inventory of these addresses is shown on Table “A”.

You will need to check your address records and posted addresses to make sure they match the assigned addresses (i.e., 4556 Thornton Ave and 4589 Glenn St). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are also notifying the below-listed agencies, utility companies and City Departments. Since some agencies may not update their records until notified by the property owner, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

Electronic copies of this letter and documentation will be posted to the City’s web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP60-0176.
