To Whom It May Concern:

This letter is in response to your request regarding the validity of the existing addresses located at Assessor Parcel Number 531 002806500. I understand the request is needed to establish the use of the assigned addresses (in particular those used by Daniel Christian Academy which is a new use on the site). Our records indicate that there were ten (10) addresses issued to this property. An inventory of these addresses is listed on Table “A”. For their assigned location, refer to the enclosed Addressing Plan.

You will need to check your address records and posted address to make sure they match the assigned addresses (i.e., 39600 to 39622 Sundale Ave). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP66-0052.
