This letter is in response to your request regarding the issuance of one (1) new address and verification of ten (10) existing addresses located at Assessor Parcel Number 501 113005400.

The existing addresses you wish to use (i.e., 39039 Paseo Padre Pkwy and 39039 Paseo Padre Pkwy Suites # 201 to 209) are tenant space addresses which were assigned to the commercial tenant spaces. Refer to the attached Address Map for the general location of the addresses. A new address (i.e., 3105 Capitol Avenue) is being issued to replace the existing address of 39059 Paseo Padre Pkwy to better reflect the location of its main entrance. As part of the issuance of the new Capitol Avenue address, the existing 39059 Paseo Padre Pkwy address is being rescinded since it is no longer needed.

In accordance with Title VII (Building Regulations) Chapter 5 (House Numbering) of the Fremont Municipal Code, this letter serves as the notice of the addressing action affecting your property. The new address must be in use within ten (10) days of the receipt of this letter. For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled “ADDRESSING – Property Owner Responsibilities” and to Chapter 2 (Building Security) of the Title VII (Building Regulations).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and property owner of this parcel should review and update their records that are registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct addresses.

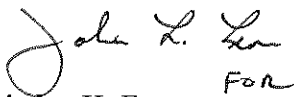

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP66-0195.
