Re: Address for Traffic Signal Cabinet – 4306 Cushing Parkway

Dear Ms. Marquises,

This letter is in response to your request for new address needed in regards to a Traffic Signal Cabinet. One (1) new address is being assigned. The Addressing Plan illustrates the current use and placement.

You will need to update your address record and outside address numbers as soon as possible for the purpose of rapid identification of your property, in the case of an emergency. Any occupants and property owner of this parcel should review and update their records that are registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

**If you have any questions concerning this matter, please contact Ron Chan at (phone) 510-494-4832 or (e-mail) rchan@ci.fremont.ca.us.**

Sincerely,
