Re: Verification of PG&E utility meter addresses for the Fountains Business Park:

**Electronic copies of this letter and documentation will be posted to the City’s web site at [http://gis.ci.fremont.ca.us/addr/addr\\_proj.cfm](http://gis.ci.fremont.ca.us/addr/addr_proj.cfm) within 10 business days. The files will be stored under SP72-0073\_2007-06-14.**

Dear Ms. Robin Rudnick:

I have received your request regarding the verification of the (6) PG&E meter addresses assigned to the property located at the Fountains Business Park. I understand the request is needed to establish the use of the assigned addresses with PG&E.

Our records indicate the business park (formerly known as the Lincoln-Durham Business Park) was originally addressed on September 14, 1984 to reflect the Lawrence Place and Randall Place addresses. No utility meter addresses were assigned at that time.

On May 19, 2004, new addresses were issued to the 6 buildings originally addressed to Lawrence Place and Randall Place. As part of this address change, 6 new utility meter address were assigned, one for each building. See table listed below.

LOCATION	TYPE	ASSIGNED ADDRESS
Building 1	Utility Meter	42310 Albrae Street
Building 2	Utility Meter	42410 Albrae Street
Building 3	Utility Meter	42510 Albrae Street
Building 4	Utility Meter	42610 Albrae Street
Building 5	Utility Meter	42710 Albrae Street
Building 6	Utility Meter	42810 Albrae Street

To assist you, I have enclosed a copy of the addressing map which shows the distribution of all the utility addresses assigned to this location. A copy of this letter will also be forwarded to PG&E for their information.

Be aware that it is your responsibility to contact any agencies which may need to know about the addresses for your building to make sure that they acknowledge the correct addresses.

**If you have any questions concerning this matter, please contact Ron Chan at (510) 494-4832 or [rchan@ci.fremont.ca.us](mailto:rchan@ci.fremont.ca.us).**

Sincerely,

*[ORIGINAL LETTER SIGNED BY]*

Christine K. Frost  
GIS and Addressing Manager
