Re: Verification of an existing address – 3695 Stevenson Blvd Unit 233

To Whom It May Concern:

This letter is in response to your request regarding the validity of the address for a condominium unit located at Assessor Parcel Number 525 165113000. I understand the request is needed to verify its assigned address. **The address you wish to use is 3695 Stevenson Boulevard Unit 233. This address is considered valid for this condominium unit (APN 525 165113000).** The condominium unit is also identified as Condominium Unit Lot B233 of Tract 6153 and is located in Building B of the development. Our records indicate that this address was assigned to the unit in 1989 when the condominium development was constructed. The common address for the development and all units within the development is 3695 Stevenson Boulevard.

Please note that it is City practice to assign a separate address for each building in a multi-building development in order to differentiate the building permits associated with the individual buildings. **In no case shall this “building permit” address be seen as the assigned address for the unit. Building B was assigned a “building permit” address of 3761 Stevenson Boulevard. Since this unit is located in Building B, it may be associated with this “building permit” address. However, the correct address for the unit is 3695 Stevenson Boulevard Unit 233, as stated above.**

Please refer to the enclosed Addressing Plan for this property to see the location of the addresses assigned to this property. You will need to check your address records and posted address to make sure they match the assigned address (i.e., 3695 Stevenson Boulevard Unit 233). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies as well as the County Assessor’s Office. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

Electronic copies of this letter and documentation will be posted to the City’s web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP72-0141A.
