Re: Address Verification for Existing Single Family Home

- Verified Existing Address: 38441 Crosspointe Cmn
- Rescinded Address: 606 Ravenna Ter

To Whom It May Concern:

This letter is in response to your request regarding the validity of one address located at Assessor Parcel Number 507 035704400. I understand the request is needed to establish the use of the assigned address with the Home Mortgage Lender and the Alameda County Assessor's Office. The address you wish to use is 38441 Crosspointe Cmn.

Our records indicate that there were two (2) addresses issued to this property at the time of development in 1996. The address, 38441 Crosspointe Cmn, may be used at the location because the primary entrance to the residence, the front door, faces Crosspointe Common. The remaining address (i.e., 606 Ravenna Ter) is being rescinded as part of this addressing action because it is no longer required. For a full inventory and description of the address, please refer to Table "A" for a list of authorized addresses. Table "B" contains a listing of the rescinded address. The enclosed Addressing Plan illustrates the proper use and placement of the address.

You will need to check your address records and posted address to make sure they match the assigned address (38441 Crosspointe Cmn). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies as well as the Alameda County Assessor's Office. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP72-0179.
