Re: Verification of Existing Addresses for a Residential Parcel

- 38550 Tyson Lane – (Primary) Property/Situs Address and For Use by the Main Unit
- 38554 Tyson Lane – (Secondary) Address for the Second Unit

Dear Mr. Pham,

This letter is in response to your request regarding the verification of two (2) existing addresses located at Assessor Parcel Number 507 040000400. Our records indicate that there were two addresses assigned at the time of original construction in 1952 (i.e. 38550 and 38554 Tyson Lane). An inventory of these addresses is shown on Table "A". Please refer to the enclosed Addressing Plan for this property to see the distribution of the addresses assigned to this property. A copy of this letter will also be forwarded to the Community Development Department for their information.

You will need to check your address records and posted address to make sure they match the assigned addresses (i.e. 38550 and 38554 Tyson Lane). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

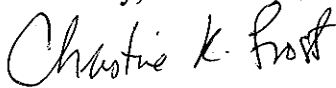

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP72-0302.
