To Whom It May Concern:

This letter is in response to your request regarding the validity of one (1) address located at Assessor Parcel Number 519 169302300. I understand the request is needed to establish the use of the assigned address with the utility companies. The address you wish to use is 46707 Fremont Blvd.

Our records indicate that this address was issued to this building at time of its original development in April 1985. It is a tenant space address and may be used in the location indicated. See Table “A” for an inventory of the active addresses for the building and the enclosed Addressing Plan for their location.

You will need to check your address records and posted address to make sure they match the assigned address (i.e., 46707 Fremont Blvd). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

Electronic copies of this letter and documentation will be posted to the City’s web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP78-0051.
