Re: Revised Unit Addresses for Osgood Residences – Tract 8210

To Whom It May Concern:

In response to your request for revised unit addresses needed for a new residential condominium development, a total of forty-five (45) new addresses have been assigned and fifty-one (51) existing addresses verified. **The new unit addresses were requested to replace the previously assigned unit numbers so that the unit addresses and the locations of both the new addresses and existing addresses would be aligned with that shown on the building permit construction plan set.** In addition, this address action includes the rescinding of the forty-five (45) previously issued unit addresses.

Approval of the request is subject to the following condition of approval:

CONDITION OF APPROVAL: Before final inspection, “Wayfinding” signage and/or floor plans shall be posted on each residential floor to clearly indicate the unit numbers and flow direction as appropriate. The signage and/or floor plan shall be placed near the elevators and/or stairs as well as midpoint of the hallway, subject to the approval of the Fire Marshal.

For a full inventory and description of the addresses, please refer to Table “A” for a list of authorized addresses. Table “B” contains a listing of the rescinded addresses. The enclosed Addressing Plan illustrates the proper use and placement of the new addresses.

Electronic copies of this letter and documentation will be posted to the City’s web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP78-0234.

For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled "ADDRESSING – Property Owner Responsibilities" and to Chapter 15.50 (Building Security) of the Title 15 (Buildings and Construction).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and property owner of this parcel should review and update their records that are registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner.
