Re: Address for Traffic Signal Cabinet – 46195 Warm Springs Boulevard

Dear Ms. Marquises,

This letter is in response to your request for a new address needed in regards to Traffic Signal Cabinet. One (1) new address is being assigned. The Addressing Plan illustrates the current use and placement.

In accordance with Title VII (Building Regulations) Chapter 5 (House Numbering) of the Fremont Municipal Code, this letter serves as the notice of the addressing action affecting your property. The new address must be in use within ten (10) days and not more than thirty (30) days of the receipt of this letter. For information on the size and location of address number on a building, please refer to the enclosed information sheet titled “ADDRESSING – Property Owner Responsibilities” and to Chapter 2 (Building Security) of the Title VII (Building Regulations).

You will need to update your address record and outside address number as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and property owner of this parcel should review and update their record that is registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

If you have any questions concerning this matter, please contact Ron Chan at (phone) 510-494-4832 or (e-mail) rchan@ci.fremont.ca.us.

Sincerely,
