Re: Address for Mission Center Building Utility Meters –
(House Meter #1) 167 Anza Street
(Meter #2) 111 Anza Street
(Meter #3) 131 Anza Street

To Whom It May Concern:

In response to your request for a utility meter address, a total of three (3) new addresses have been assigned. The enclosed Addressing Plan illustrates the proper use and placement of the new addresses. 167 Anza Street is the locational address of House Meter #1. 111 Anza Street (Meter #2) is the meter location providing service for the tenant spaces located at 115 and 129 Anza Street. 131 Anza Street (Meter #3) is for the meter location providing service for 135 and 137 Anza Street.

In accordance with Title VII (Building Regulations) Chapter 5 (House Numbering) of the Fremont Municipal Code, this letter serves as the notice of the addressing action affecting your property. The new addresses must be in use within ten (10) days of the receipt of this letter. For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled "ADDRESSING – Property Owner Responsibilities" and to Chapter 2 (Building Security) of the Title VII (Building Regulations).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and property owner of this parcel should review and update their records that are registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct addresses.
