Re: Address for PG&E Meters *(for an existing single family home located at 48931 Ventura Drive)*

- Primary house meter: 48931 Ventura Drive Meter A
- Electric vehicle charging station: 48931 Ventura Drive Meter B

To Whom It May Concern:

In response to your request for an address needed for a new meter to be installed at a residence, a total of two (2) new addresses have been assigned. One address (Meter A) is for the existing PG&E meter designated as the primary meter for the home/property. The other meter (Meter B) is for the new electric vehicle charging station. For a full inventory and description of the addresses, please refer to Table "A". The enclosed Addressing Plan illustrates the proper use and placement of the new addresses.

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP90-0012.

In accordance with Title 15 (Buildings and Construction) Chapter 15.55 (House Numbering) of the Fremont Municipal Code, this letter serves as the notice of the addressing action affecting your property. The new address must be in use within ten (10) days of the receipt of this letter. For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled "ADDRESSING – Property Owner Responsibilities" and to Chapter 15.50 (Building Security) of the Title 15 (Buildings and Construction).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and property owner of this parcel should review and update their records that are registered with the City
